

Ryan Is Elected President Of The Freshmen

Tom Ryan

John Bian

John Berlier

Eugene Nowak

Bian, Berlier, Nowak Also Win Frosh Offices

by Joe Turk

Thomas Ryan has been elected president of the freshman class. He is a member of the Pumacrats, one of the freshman parties now in existence.

John Bian was elected vice-president. Bian ran on an independent ticket. John Berlier and Eugene Nowak, also independents, were elected secretary and treasurer respectively.

Ryan attended Holy Cross Seminary at Notre Dame where he was active in theater work. This is his first real experience in politics. His home is in Tinley Park, Ill. Ryan promised to uphold the principles of the school, especially school spirit.

Bian is from Elmhurst, Ill. Cooperation and assistance to the president are his main objectives. Berlier comes from Indianapolis, Ind., and attended Cathedral high school, where he worked on the school paper. Nowak lives in Elmwood Park, Ill., and went to St. Mel high school where he was vice-president of the National Honor Society.

The elections were held in the cafeteria on Nov. 19, during the noon and evening meals. Victory required a simple majority. The president and vice-president both won on the first ballot, but a runoff was necessary for the other two offices. Daniel Ort lost to Berlier in the secretarial race and Phillip Ortiz lost to Nowak in the race for treasurer.

Two Alumni To Conduct Annual Retreat

By Dick Bender

Rev. Anthony Suelzer and Rev. Hugh Hasson will conduct the annual retreat for St. Joseph's student body from Monday to Wednesday, Dec. 6-8.

A Solemn High Mass will open the retreat Monday at 8:30 p. m. with Rev. Seraphin Oberhauser, Provincial of the Society of the Precious Blood, as celebrant. The retreat will close Wednesday morning with Solemn High Mass at 8 o'clock, with Rev. Raphael Gross, president of the college, celebrating. A short conference and a Papal Blessing will follow.

Because of the size of the student body it will again be divided into two groups. Fr. Suelzer, a college alumnus of '35 and an assistant at Our Lady of Perpetual Help parish in Hammond, Ind., will conduct the retreat for the juniors and the seniors. Fr. Hasson '35, a member of the Precious Blood Society's Mission Band and now stationed at St. Mark's parish in Cincinnati, Ohio, will be in charge of the freshmen and sophomores.

Several other religious events coincide with this year's retreat. The college will observe a special Triduum to St. Gaspar, Dec. 8, the Feast of the Immaculate Conception, marks the end of the Marian Year observance at St. Joseph's.

In order to gain full benefits and indulgences of both the retreat and the additional religious events occurring at this time, all students are urged to receive Communion during the retreat days. Mass for juniors and seniors will be held at 7:00 Tuesday morning in the chapel, and for freshmen and sophomores at 7:15 in the fieldhouse.

There will be ample opportunity for confession before and during the retreat. Besides the opportunity after each conference, students will be able to go on Sunday and Monday evenings in the chapel after regular services.

Vol. 18 St. Joseph's College, Collegeville, Indiana, November 24, 1954 No. 5

"Arsenic and Old Lace" Sparked By Good Characterization, Direction

by John Good

The St. Joe "theatrical season" got a very good start on the right path this last weekend as the Columbian Players presented their first production. The play, though a bit old and often produced, was an excellent choice for an opener.

The director, Mr. Ralph Cappuccilli, is to be commended. Throughout the performance there were many fine examples of blocking, gestures, voice and character relationships that can easily be accredited to an able director.

The play is one of characters, and it was undoubtedly the characters that made it such a success. There was the fine example of the two Brewster sisters, Irene Gregorovitch and Ruth Nelson, who, given a good set to work with, took it as their own and made it "unmistakably Brewster." Irene took the part of the stronger of the two sisters, Abby, and made her into a very fine Victorian lady. Just as good an interpretation, and perhaps a sweeter character was the flighty, fussy, but dear Aunt Martha of Ruth Nelson.

Providing the romance interests for the play was the job of Mortimer and Elaine. Some of their portrayal of love was a bit unconvincing, especially their embraces, but they managed their parts quite well. Jane Conlin was able to bring her part right into her line of portrayal with some success.

Larry Brennan did a good job of providing the normalcy by which to judge the other characters.

Shown straightening the table are Jane Conlin, Irene Gregorovitch, and Ruth Nelson. These three provided the feminine interest in the Columbian Players' production of "Arsenic and Old Lace."

However, some of his gestures became "typed" before the curtain came down. He also had some trouble with "up-staging."

The play is noted for its two excellent character parts. Jack Carlson handled the part of Jonathan in a manner of the whole play. But it was Ed Hebda who seemed to enjoy his part, playing it with real gusto—"delightful."

Joe Bak made an enjoyable, even though high voiced, German doctor. Three minor parts that sparked the evening were Bill Schuler's good natured Irish cop, O'Hara; another policeman's part, Bill Walter's harried Lieutenant Rooney; and the very proper Doctor interpreted by Chuck Vietzen.

Gerry Gladu and John Marsh did well with small parts. Ronnie Cole showed interesting promise. John White rounded out the cast.

Sanquinist Club Maps Campaign For Daily Mass

The drawing up of a new constitution, an attempt to make the students daily-Mass conscious, and the planning of a campaign to raise money for a statue of St. Joseph are the main things the Sanguinist Club is now considering.

Members of the Constitution Committee are Vern Olmstead, James Kubacki, Ray Malik, Don Gillig, James Parejko, and Charles Rohan. The chairman of the committee is Make Madalon.

It was noted by the club that in order to get better attendance at daily Mass, the students should be made Mass-conscious. Some suggestions for bringing this about were to hang up reminders to attend daily Mass, to print articles about the importance of the Mass and its benefits in the daily bulletin, and to make personal contacts with students urging them to attend Mass. The actual campaign has not yet been formulated, but it is certain to take place in the near future.

There was much debate on the plan to raise money for a statue of St. Joseph.

Faculty Hosts Town Teachers

Mr. Clum C. Bucher, assistant dean of the Junior Division at Indiana University, was the guest speaker at the faculty banquet of Nov. 17. The priests of the college faculty and staff, the lay faculty and their wives, and members of the Rensselaer high school faculty and their wives were present at the banquet.

Scene at the annual faculty banquet at which Mr. C. Bucher was the guest speaker. Mr. Bucher spoke on the bettering of relations between high schools and colleges.

Fr. Lucks, '21, Dies In Dayton

Rev. Henry Lucks, '21, C. P. P. S., former president of St. Joseph's, died Nov. 11 in St. Elizabeth's Hospital, Dayton, Ohio. He had suffered a heart attack several days previously, and a stroke of paralysis the day before his death.

Fr. Lucks was closely associated with St. Joseph's College for many years, as student and teach-

Fr. Lucks

er, as Dean of the College (1937-44), and as president from 1944 to 1948.

Born April 26, 1901, in Beatrice, Neb., Fr. Lucks attended high school and college at St. Joseph's, later studying at St. Charles Seminary in Ohio. He also studied at the University of Illinois, the University of Notre Dame, and Catholic University of America, where he received his Ph. D. degree in 1933.

He was ordained on May 26, 1927. His last years were devoted to teaching at St. Charles Seminary.

Funeral services were held at 10 a. m., Nov. 15, at St. Charles.

SCHOOL IS GETTING ROUGH,
I ONLY GET TWO READ A WEEK NOW.

Let's Help Each Other

Do you have many good friends on campus? Sure, we all have some good buddies we would do anything for. Well, your chance to do some of them a big favor is from Dec. 6 to 8.

These are the days set aside for the annual retreat. You know what a retreat means—silence, no radios or shows. It gives us the opportunity to reflect upon our lives and see if we have done a good job, thus far, in the eyes of God.

If you are one of the select few who doesn't need to make a retreat, at least have some consideration for those buddies of yours. They may be trying hard to make a good retreat and square themselves away with God. Try to forego playing that radio and if you must go to a show one of those evenings, go by yourself. Surely these things aren't too much to ask as a favor for your best friends.

Even the pagans knew the value of a retreat. They often went out alone into the wilderness to take stock of their lives and think over their problems. Unfortunately, we cannot each go out alone to make a retreat undisturbed. We must make our retreat in a group. This means your friends are depending upon your help to make a good retreat. So give your buddies a break during this retreat, it might easily be their last.

Grow Up, Children

Many students of the college have been very indignant lately concerning the phrases "Delegation from Diaperville" and "St. Joseph's College—for MEN," which were recently published in STUFF. These indignations are positively righteous for the innocent students, but it seems that those students who aren't at fault haven't voiced their dissatisfaction with the statements. What could be the reason for their silence? Could it be that they have witnessed the "infancy" of some of the campus residents?

Those who were present at the first feature of the movie in town last Friday evening received a shining example of the college's male, adult students. The cat-calls, unnecessary applause, and constant cheering did not add to the enjoyment of the movie, contrary to the opinions of the students participating in the juvenile antics. Although this isn't a new occurrence at the theater, it seems to be getting worse instead of better.

The tinkling of glasses in the cafeteria is another example of our "adult children" of the college. This was also brought to the STUFF readers' attention and met with the irate indignation of the students. The only conceivable purpose of this action would be to embarrass the girls who are brave enough to visit the campus. With this in mind, can we still claim that it is the act of mature men?

Until our actions agree with our ideas of what the college man should be, we will constantly be receiving much unfavorable publicity. Its appearance in STUFF will mean nothing compared to the voiced opinions of the unfortunate persons who witness our behavior.

UN Assembly Planned

A mock United Nations Assembly for colleges has been planned at Indiana University for March 4, 5, and 6. The participation fee for the assembly is \$5 a person with 6 delegates and a faculty advisor representing each school. Joel Francouer, president of the Council, has been given the power to make arrangements for the school's attendance at the assembly.

The Council plans to appropriate the same amount this year as last year for trophies for the school's most valuable players in the three major sports. Another trophy will be awarded to the year's most valuable ICC opponent in basketball.

Although the profits from the Monogram Club dance have not been turned in yet, the Council expects that the club will have made money on the dance. Next in line on the Monogram Club's schedule is a Bingo game.

The NFCCS program was also discussed at the meeting and the seven points submitted by John Good were approved by the Council. It was announced that the college will sponsor a Press Conference to be held here at the school next February. The food and lodging for the people attending the conference will be paid for by NFCCS.

The Council appropriated \$15 to Bob Lenzini for the advancement of the Interracial Conference. An appropriation of \$20 was also made for the gift for Brother David Schneider.

A working capital of \$200 was loaned to the Junior class for this year's Prom. No definite arrangements have been made yet concerning the Prom, but it is hoped that the false ceiling for the fieldhouse will have been obtained by then.

The Council also plans to broadcast the St. Joe-Anderson game of Nov. 23.

Mr. Decker Prominent In Publicity

By Chuck Vietzen

One of the chief reasons for St. Joseph's rise to prominence in recent years is its extensive program in the field of publicity. This is primarily the task of one man, the Publicity Director, Mr. Randall Decker.

If the saying "Travel is the best education" be true, then this man of action is the most educated person on campus. For "Randy" can boast of having been in almost every state of the Union while working in journalism and radio broadcasting. Many places, for example, are connected with his marriage. He met the former Theresa Donder of New York, a TWA stewardess, in Kansas City, courted her in New York, married her in 1943 in Miami, and honeymooned in Houston. They have lived in Missouri, Arizona, California, Virginia, Maryland, New York, and, of course, Indiana.

The Deckers have three children, Kip, Margaret and Miriam, who was born last month. They have their own home in Rensselaer.

Mr. Decker received his bachelor's degree from the University of Missouri in 1939. During the war, he served as a second lieutenant in the U. S. Navy, both in Alaska and on sea duty. Following the war, he served two more years in the Public Relations Department at the Pentagon in Washington. It was only in 1947, in the words of his wife, "after many novenas," that he entered the Catholic Church. Prior to coming to Collegeville in 1953, he received his master's degree from Colgate University.

News Bureau

For those unacquainted with the work of the publicity department under Mr. Decker, its purpose is to publicize St. Joseph's and activities connected with the school. There are two channels of publication: general releases of college activities and hometown releases

Mr. Decker

concerning individual students to local and diocesan newspapers.

More than 1000 news items, excluding photographs, are released each year through more than 5000 mailings. The items concern such matters as new enrollees, class officers, casts of dramatic presentations, glee club members, Who's Who members on campus, football, basketball, and the baseball squad members, the dean's list, and several other important activities. The bureau also phones wire services and newspapers with the latest athletic events.

Various Publications

The office puts out several news publications which include: Contact, the alumni paper; Puma Press, the athletic news bulletin; Dairy Progress, a booklet on the farm; Summer Squints, for the faculty absent form campus during summer; and last year, The Call, a newspaper concerning the building fund.

Assisting Mr. Decker in the news bureau are three students: Joe Kneip and Dick Obergfell, who handle sports news, and Bernie Balas, who is in charge of hometown releases.

Besides this time-consuming work, Mr. Decker also finds time to teach three classes—one in English, and two in journalism.

Draft Tests Set

Dec. 9, 1954 and April 21, 1955 are the dates set for the Selective Service tests this school year. The tests are open to anyone who is registered with his draft board, is pursuing a full time college course or graduate work leading to degree, and has not already taken the test.

A passing grade of 70 per cent qualifies the student for draft deferment. The actual deferment is left to the discretion of the student's draft board. A grade of 80 per cent is passing for those in graduate study.

The Dec. 9 test will be held at St. Joseph's at 8:30 a. m. The deadline for application for this test is midnight Nov. 23. Application blanks are obtainable at the office of the registrar. The application deadline for the April 21 test is midnight March 7, 1955. Those taking the tests can obtain their scores from the draft board.

Albertus Club Plans Tour

The Albertus Magnus Society has scheduled an industrial tour for sometime in early December. Probable site is the Haynes-Stellite company plant in Kokomo, Ind., manufacturers of blades for turbo-jet engines.

Besides the trip, the group will also hold its annual Science Day sometime in the spring. Students from high schools and other interested persons are invited to see many different exhibits in the fields of geology, biology, chemistry, physics and mathematics.

The organization meets regularly the first and third Tuesday of each month. Presided over by the moderator, Rev. A. A. Wuest, the meetings feature discussions, papers, and demonstrations by students in their particular fields.

The Society is currently seeking new members. To be eligible for admission, a student must have a 2.00 index in his science major or minor, and must have an overall cumulative index of 1.50.

This year's Albertus Magnus officers are Frank Holzer, president; George Mach, vice-president; Bob Gasior, secretary; and George Stockelman, treasurer.

Marine Corps To Visit Campus For Recruits

Marine Captain C. G. MOODY and the Marine Corps Officer Procurement Team for this area will return to St. Joseph's College Tuesday, Nov. 30 to process the applications of those students who are qualified for enrollment in the Marine Corps Platoon Leaders Class or Officer Candidate Course. This team will be set up to conduct all examinations including physicals necessary for completion of applications.

Captain MOODY will also welcome inquiries from any other students interested in obtaining information concerning eligibility for either of these two officer training programs, both of which lead to a commission as a Second Lieutenant in the Marine Corps.

Commerce Club South Bend Tour Includes Plants

The Commerce Club is completing plans for the forthcoming field trip to South Bend, Ind. The trip will take place on Dec. 8, and will include visits to the Studebaker-Packard Plant and the Ball Band Rubber Company. Both tours will give an insight into the phases of large scale production and the manufacturing process in general.

Upon completion of these tours, the club will travel to the campus of the University of Notre Dame. Arrangements will be made to allow everyone to have his evening meal plus a chance for viewing the University campus. Negotiations are also being conducted for an informal dance with St. Mary's of the Lake following the evening meal.

Tickets are on sale in the dining hall at the noon and evening meals. The price is \$1.00, which will help defray the transportation charges.

All members are cordially invited to attend, as this will be the highlight of the Commerce Club's schedule for the semester.

Dear Editor . .

I wish to express my appreciation to the Athletic Committee of the Student Council, as well as the entire student body, for the honors bestowed upon me during halftime of the recent St. Joe-Ohio Northern game. The day will long live as one of the happiest among my memories. Thank you and God bless you.

Sincerely,

Brother David Schneider, CPPS

During his stay here the captain may be contacted at the Rec Hall.

.... THE VISITING COACH REQUESTED IT....

PUMATTERS

By Dick Obergfell

The 1954 football season is over, the gridiron togs are being stored away, and the student body is busily preparing for the coming basketball action. The past games, runs, touchdowns, and passes are now dull figures in the record book. But the previous season will not be one easily forgotten; it gave the seniors a winning season, the first one in six years, the juniors witnessed their first home win, and the Puma fans saw three new ICC records established.

It was a good year and we can be assured that there are many more fine seasons to follow. The freshmen proved that they were not new at playing football. The passing of Ralph Tite, the running of Bob Hamman, Dan Lyman, and Tom Agnew, and the consistent play of Ray Regner, Tom Huhn, and Bill Brinkman all molded the fine showing of the Pumas.

The seniors, too, can be equally proud of their efforts. John Donnelly, Pete Fenlon, and Clayton Klein saw action in each of the nine St. Joe games. The only sad note of the season was the selection of the All-Conference team. Fourteen grid men were selected by the coaching staffs of the seven conference schools. The squad was represented by six of the seven member schools, St. Joe being the vacant member.

The 1954 football champs, Valparaiso, were honored by having five of their first eleven picked for All-Conference honors. Butler, Ball State, Evansville, and Indiana State each placed two men and DePauw had one representative.

Sports in Spots . . . The St. Joe Pumas finished 18th in total offense in the nation. In eight games the Pumas picked up a total of 2259 yards, 1633 coming on the ground, the other 626 via passing. The 2259 net yards gained in 424 plays gave St. Joe a 319.7 game average. John Donnelly being selected the most valuable Puma griddier this year. Drexel Hall retaining control of the intra-hall football plaque. Three new records being set by the 1954 Pumas. The newly born ICC marks are; longest kickoff return, 100 yards, set by Bob Hamman against Butler, most rushes from scrimmage (single game), 24 rushes, set by Clayton Klein against Indiana State, and the best average per rush, 24 yards per try, set by Bob Hamman against Indiana State. Coach Virgil Robbins leaving his post for a month in favor of a trip to California. Leroy Thompson, Butler fullback, and Bob Scott, Evansville center, being chosen most valuable back and lineman in the conference. John White and Chuck Wiles reported as being the top bowlers at Maple Lanes. The two juniors are averaging better than 200 on the bowling machine. The Sporting News sending St. Joe of Collegeville an invitation to play Georgetown. A quick check of the schedule showed a previous scheduled game for Georgetown with St. Joseph's of Pennsylvania. There was some confusion in the Puma ranks in the Ohio Northern game. Coach Bob Jauron called guard Joe Janus from the bench, gave him his instructions, and sent him tearing into the game. Joe raced to the midst of players and found to his dismay that both guard positions were filled. The freshman lineman continued to the opposite sideline and returned to the Puma bench.

Bazil, Hamman Star for Dads In 33-13 Puma Victory

St. Joseph's Pumas finished their season on a winning note as they ground out a 33-13 victory over Ohio Northern University before a Dad's Day crowd of 2000 fans at Collegeville.

The Pumas, without the aid of a completed forward pass, ripped the visitors' line for 385 yards. Halfbacks Bom Hamman and Bill Bazil each tallied twice for St. Joe and quarterback Ralph Tite also scored for the Pumas. Joe Janus and Merle Effing divided the extra point chores.

The Pumas scored the first time they gained possession, moving 49 yards in five plays with Hamman carrying the final 17. Janus converted to give St. Joe a 7-0 lead which they held until Ohio Northern pushed over a score with two minutes remaining in the half. Following an unsuccessful conversion attempt, the losers kicked off and Hamman took a handoff from Tite on the two-yard line and scampered 98 yards up the sideline for the touchdown. Janus' second conversion gave the Pumas a 14-6 lead at halftime.

After receiving the second half kickoff, St. Joe moved 87 yards for another score with Tite plunging over from one yard out.

After an exchange of punts, the Buckeye invaders put together a scoring drive of their own with halfback Terry Love carrying the bulk of the attack. Love finally carried over from the five-yard line, cutting St. Joe's lead to 20-13 as the third period ended.

Bazil then took command in the final quarter, breaking loose for scoring runs of 23 and 28 yards to insure the victory. The sophomore halfback from Crete, Ill., carried the ball 16 times for 170 yards.

The win gave St. Joe a record of five victories and four defeats for the year, and the first winning season since 1949.

Alumni Beaten 85-67 In Season Warmup

St. Joseph's Pumas opened the 1954-55 basketball season with an easy 85-67 victory over a scrappy, but outmanned Alumni squad in the Collegeville fieldhouse Saturday night.

Coach Dick Scharf sent 18 of his Pumas into the fray with the starting five playing less than half of the contest. The Alumni called on nine former St. Joe stars to halt the youngsters, but after falling behind in the first quarter, the Alumni did not threaten until the closing minutes of the contest when they moved within 8 points of the victors. But a barrage of baskets by the varsity in the last 90 seconds assured the 18 point varsity victory.

Senior Don Merki matched last year's 23 point-per-game average,

with 6 field goals and 11 free throws. Most of these came in the first half. Center Chet Pilat collected 10 markers for the Pumas with 13 other players adding to the total.

Jack Dwyer, who set the all-time scoring record for St. Joseph's during the 1952-53 season, showed the sparse crowd that he had not lost his scoring touch as he poured through 23 points to lead the Alumni scoring. Don Tesmond, a former Puma guard, scored 12 points, 7 of them sparking the late Alumni drive.

Saturday night's victory gave the varsity a perfect record in the Alumni-varsity series with three wins and no losses.

The Sophomore team from Drexel included: from left to right, top row: Ward, Mitchell, Berick, Swierkowski, Lang, Schmidt (crouching) Scanlon, Horney, Emerick, Stark. Second row: Smeeton, McGuire, O'Reilly, Meisch, Murphy, Goberville, DeWald and Eifrid.

Drexel Crowned Champs

A team from across the road brought the curtain down on the IM football season. The Sophomores brought the interhall foot-

ball trophy to Drexel Hall for the second straight year. The Drexelites whipped the boys from the Dorm in the final game by a score of 12-0. The Dorm advanced to the final game by whipping Noll and the Ad building. Drexel's road to the championship came via victories over Gaspar and Washburn.

Even though the football season is over, the intramural action is still going strong in Maple Lanes Bowling-Alleys. It's a nip and tuck affair in both the Wednesday and Tuesday leagues. The BeBe's are currently leading the Tuesday affair with a 12-3 mark; in the Wednesday league it's the King Pins bowling over the rest of the league with a 13-2 record.

The basketball season will begin immediately following the Thanksgiving holidays. The round-robin play will follow the pre-season tournament sponsored by the Student Council.

Hoopsters Open 1954-55 Season With Anderson

By Dick Obergfell

After tasting victory at the expense of the Alumni the St. Joe Pumas are now ready to test the strength of their remaining schedule. The Anderson Ravens are first on the card and the Scharfmen will have to do some fancy ball handling to bring home a victory. The Ravens will start the same team that dropped a 77-71 contest to the Collegeville cagers last year. The Pumas travel to Anderson Nov. 23.

Little Giants

St. Joe will continue their out-of-conference tilts immediately following the Thanksgiving vacation with games against Wabash on Dec. 1 and Bellarmine on Dec. 4. The Little Giants of Wabash open their season with the Pumas at Crawfordsville. Coach Bob Brock has six returning ltermen including 6'-3" center Rex McCoy. Wabash whipped the Pumas last year by a 76-60 score.

The Bellarmine Knights will open their first home stand of the season. Leading the Bellarmine attack will be senior forward Bob Gipperich. Flanking Glipperich will be the two other seniors on the team, John Sellman and Jim Spalding. Sellman is a 6'-2" forward while Spalding stands 6' and plays guard.

St. Norbert's

St. Norbert's is sandwiched between ICC foes Indiana State and Evansville in the Pumas road of hardwood tilts. Coach Scharf's cagers travel to Muncie to tackle the Indiana State Sycamores. The Sycamores, first ICC opponent on the Puma schedule, scored two victories over our Pumas last year by scores of 80-65 and 80-71.

Ray Banary, 65, begins end run against Ohio Northern as Clay Klein leads the interference. St. Joe won the game 33-13.

Miss Stell Andersen, world famous pianist, gave a concert in the auditorium on Nov. 16 for the student body.

Stella Andersen Concert Well Received by Students

by Charles Rohan

The second performance in the concert series planned by the entertainment committee was Miss Stell Andersen's piano recital on Nov. 16, 1954. The concert was attended by approximately 150 students and faculty members. The program opened with a Ballade by Grieg, in the form of variations of a Norwegian folk melody. Then followed the "Adieux" sonata by Beethoven with its three movements: Departure, Absence, Return. After the intermission Miss Andersen played two Chopin etudes, two Intermezzi by Brahms, a Madrigal and a "Rag-time Bass" by Virgil Thomson and two preludes, one by Messiaen and one by Rachmaninoff.

The program was concluded by a toccata by Traerup-Sark. The recital was so well received that Miss Andersen was called out to give three encores, among which a Chopin Etude and Philipp's musicbox.

Miss Andersen, a great artist of the piano, displayed her mastery of its expressive potentialities in the first number. Being of Norwegian descent herself, she gave the piece a unique meaning. Her version of Beethoven's "Les Adieux" was, though in a somewhat uncon-

ventional tempo, superior. In the Brahms Intermezzi it became apparent that Miss Andersen's technique was greatly exceeded by the completeness of her musical understanding.

Another highlight was the toccata by Traerup-Sark. The assortment of the program could have been criticized as being on a somewhat too high standard for a college audience. Also, there was not much tribute paid to Modern Music.

A compliment is also due to the stage management, which presented the stage very attractively in spite of the fact that the set for "Arsenic and Old Lace" was under construction there.

28 Make Dean's List

The Dean's list for the mid-term period has been announced by Rev. Walter Pax, Dean of the College. The list is of students with an index of 2.50 or better. All students who have an index of 2.50 are excused from requirements of the cut system for the following grading period unless, in particular instances, the instructor rules otherwise.

Those with an index of 3.00 are: Edmund F. Byrne, Peoria, Illinois, senior; Robert A. Michalski, Mansfield, Ohio, senior and Donald F. Dirksen, Maria Stein, Ohio, sophomore.

Those with an index of 2.50 or better are: senior, Lawrence E. Doherty, Ottawa, Illinois; William F. Feely, Brookfield, Illinois; Steve M. Oleszkiewicz, Chicago, Illinois; Stephen R. Patun, Chicago, Illinois; Paul J. Rettig, Crown Point, Indiana; Lawrence J. Schmit,

Brookfield, Illinois. Juniors, Marvin L. Hackman, Jasper, Indiana. Sophomores, Albert J. Greto, Crum Lynne, Pennsylvania; Ronald E. Keller, LaPorte, Indiana; Michael L. Madalon, Hammond, Indiana; William D. Neville, Dwight, Illinois; Anthony M. Smith, Lakewood, Ohio; Alozslus J. Stryck, Chicago, Illinois; Joseph F. Turk, Indianapolis, Indiana; Charles R. Vietzen, Oak Park, Illinois; Edward J. Dwyer, Gallup, New Mexico; Freshmen, John E. Crackel, Owosso, Michigan; James E. Detloff, Chicago, Illinois; Cyril M. Gullassa, Whiting, Indiana; James A. O'Brien, Cincinnati, Ohio; James J. Sobota, Hammond, Indiana; Thomas B. Stucker, Chicago, Illinois; Urban A. Thobe, Dayton, Ohio; and John H. Young, Glencoe, Illinois.

HOTEL RENSSELAER

for a bird
of a trip...

go Home
by TRAIN!

Beats the stuffing out of other transportation! Storms can't cancel your trip. Traffic jams can't make you miss vacation dates, or get you back to the campus late. And it's more fun traveling by train with your crowd, enjoying swell dining car meals en route.

Save 25% or More

And this is gravy! Travel home and back with two or more friends on Group Coach Tickets. On most trips of 100 miles or more, you each save 25% of usual round-trip rate. Still better, gather 25 or more to travel long-distance together on the same homeward train. Then return singly or together, and each save 28% of the regular coach round-trip fare.
